## HOME IS WHERE THERE IS ONE TO LOVE

Home's not merely four square walls,  
Though with pictures hung and gilded;  
Home is where Affection calls—  
Filled with shrines the Hearth had builded!  
Home! Go watch the faithful dove,  
Sailing 'neath the heaven above us.  
Home is where there's one to love!  
Home is where there's one to love us.

Home's not merely roof and room,  
It needs something to endear it;  
Home is where the heart can bloom,  
Where there's some kind lip to cheer it!  
What is home with none to meet,  
None to welcome, none to greet us?  
Home is sweet, and only sweet,  
Where there's one we love to meet us!

INC temporary grade given at the discretion of an instructor when any of the requirements of a course, including the final examination, have not been met by the end of the semester. The grade INC is not assigned in a case where a failure to complete course requirements in time is due to student delinquency. It is the student's responsibility to resolve this grade within the next semester, and the final grade must be submitted to the Registrar at least one week prior to the next scheduled final examination period. The INC grade becomes an F if the requirements are not satisfied within this time limit.

## DEDICATION

"I will be wise and just and free  
if in me lies such strength.  
For I grow weary to behold  
The selfish and tyrannical still  
tyrannize the earth."

Wisdom, Justice and Freedom are three qualities we all strive for yet somehow we find extremely hard to attain. It is very rare to find anyone possessing all three qualities, and if and when you do, they deserve some recognition.

This year the Yearbook Staff dedicates the '75 Aubade to three people who have made our four years at Dominican College a truly meaningful experience, by instilling in us some of their

Wisdom, Justice and Freedom.

No matter how miserable we may be feeling, all we have to do is take a walk to the library. There you will find a smile, a laugh and advice from Sister Virginia Kissack.

You can always count on Sister Virginia, to share with you both joy and sorrow.

Sister's wisdom lies in her ever present sense of humor. The mountains we carefully constructed out of mole-hills are quickly torn down by Sister Virginia's humor. Through this we realize that life is not as bad as it seems.

Not only do we have a librarian, but we have a friend.

Sister Margaret Flynn, or as she is more commonly known, "Maggie," has been our class moderator these past four years.

She was presented with a group of idealistic, naive adolescents and helped to mold us into realistic adults.

We adjusted to college life with Maggie's help, and as a result she has tolerated all our "trials and tribulations" as well as sharing our accomplishments.

She has always been fair and open to suggestions, but never yielding. Through this justice we find true strength. Hopefully some of her strength has been passed on to us.

As Dean of Students, Sister Barbara Werner has always had her hands full. Whenever someone decides to form a club it is always Sister Barbara they run to for a moderator.

No matter how busy she is, she has always found time to listen and help out.

Sister Barbara has always treated us as adults and has given us the freedom to make our own decisions.

This freedom has helped us to survive in the academic world. Not only have we survived, but we have succeeded.

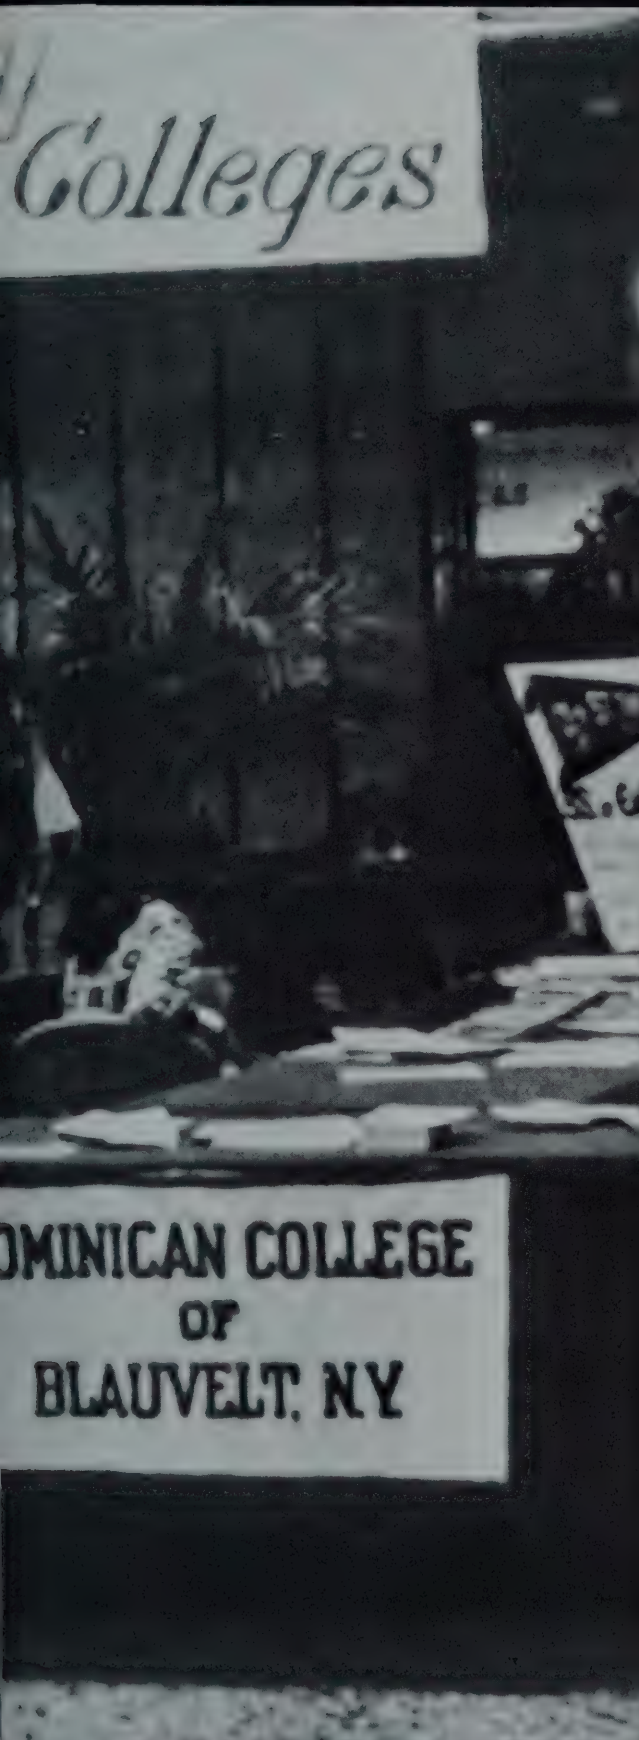

As a result of knowing Sister Barbara, we should now be able to stand up to those who still tyrannize the world, whoever they may be.

Kindness Is Receiving
